Understanding the Opportunities of Public Transit in Northern Virginia

February 2022

Northern Virginia Transportation Commission

"NVTC advances a robust and reliable public transit network to support communities in Northern Virginia."

Funds and stewards NoVa's investments in WMATA (Metrorail, Metrobus, MetroAccess) and Virginia Railway Express

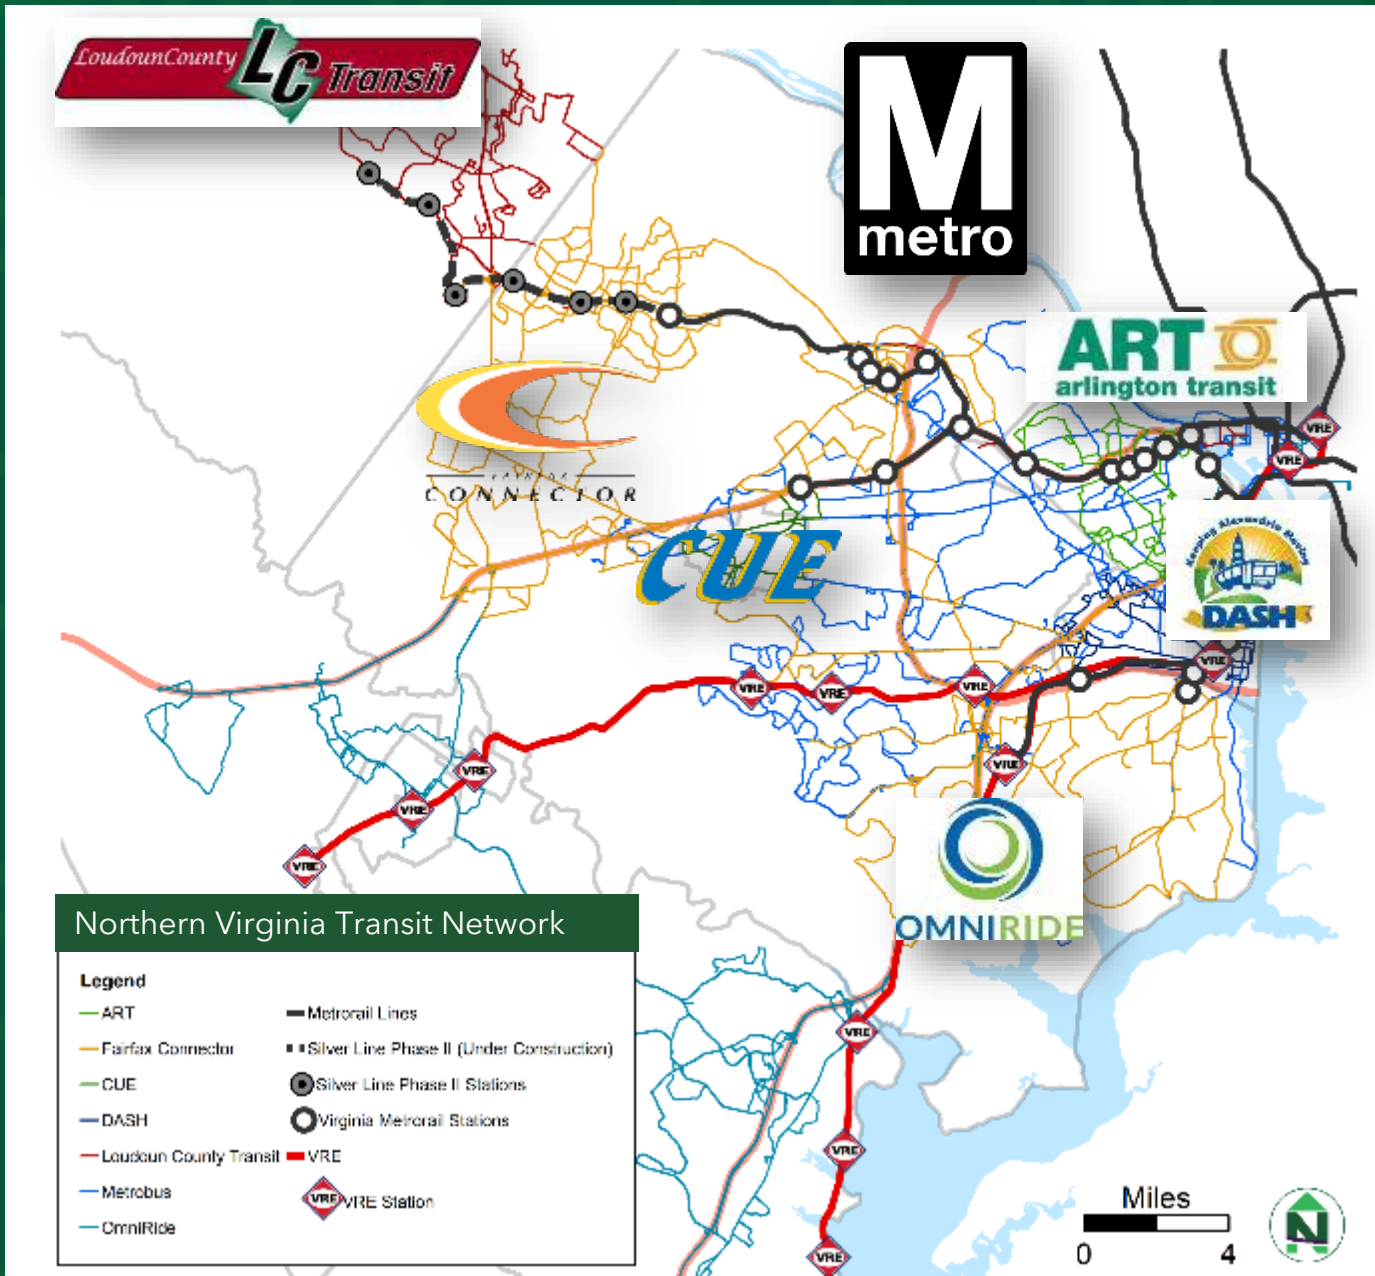

Manages state and regional funding for five jurisdictional bus systems

Works across jurisdictional boundaries to develop regional public transit strategies and policies

Administers the Commuter Choice Program, using toll revenues to support more transit along I-66 Inside the Beltway and I-395/I-95 Express Lanes

Public Transit is as important to our region as power and water lines

8 Coordinated transit systems

250+ Bus, commuter rail, and Metrorail routes

1.4M people live within a ¼ mile of a rail or bus stop

2M jobs within a ¼ mile of a rail or bus stop

\$600M in statewide revenues earned each year from economic activities supported by Metrorail and VRE

Rail-Based Transit-Oriented Development Continues to Thrive
