VIA ELECTRONIC MAIL ONLY

Dear Ms. Mattice:

Virginia Code § 33.2-3402 requires that in any year the Washington Metropolitan Area Transit Authority (WMATA) Capital Fund receives revenues, the Northern Virginia Transportation Commission (NVTC) must certify to the Virginia Comptroller receipt of specified documents by June 30 of each year.

Certain documents must reflect WMATA's most recently audited fiscal year while other documents reflect the next to occur fiscal year. While many of these documents have previously been provided to you as they have become available during the fiscal year, this letter and attached index of documents serve to consolidate all requested materials. I trust you will find these documents to be responsive to NVTC's needs.

Thank you for your continued support of WMATA. Please contact the Office of Capital Financial Reporting at Metro_CapitalReporting@WMATA.com should you have any questions or need additional information.

Sincerely,

Thomas J
