1. Revenue: Jurisdictional Contributions

Revenue from Local Direct Contributions

Each NVTC jurisdiction is assigned a share of the local portion of NVTC's administrative budget based on its share of revenue received by NVTC on behalf of jurisdictions from all sources in the previous year. This procedure is required by state statute and results in changes in contributions from one year to another that vary for each jurisdiction depending on relative shares of revenue received. The allocation in this FY 2025 budget is based on the FY 2023 revenue and Subsidy Allocation Model (SAM) formula.

Revenue from State Assistance

NVTC receives state operating and capital assistance for its WMATA compact members' annual commitments to WMATA and those jurisdictions' local transit systems. NVTC allocates this revenue among the jurisdictions based on NVTC's SAM and holds the funds in trust for the jurisdictions' transit use. Before the funding is allocated, NVTC's SAM resolution states that amounts are to be applied to certain NVTC projects, and a portion of the general and administrative budget of NVTC. The amount used for NVTC's general and administrative expenses is determined each year by NVTC's approved budget.

2. Revenue: Project Chargebacks

Commuter Choice Program

The general and administrative budget is reimbursed by the Commuter Choice program for costs incurred in administering the program in both the I-66 and I-395/95 corridors.

Virginia Railway Express

NVTC receives revenue from VRE as reimbursement for staff support and other expenses.

Envision Route 7 BRT

Included in the general and administrative budget is a line for reimbursements from the Envision Route 7 BRT project budget for payroll and related expenses that are expected to be incurred in managing the next phase of the project. The project budget includes Federal, state and local funding sources, although it is expected only state and local sources will be available to reimburse the general and administrative budget.

3. Revenue: Project Grant Billings

The FY 2025 budget assumes a grant from DRPT's Intern Program that provides funding at 80% of payroll and related costs of NVTC's Transit Fellows program.

4. Revenue: Appropriated Surplus

Included as a source of revenue in the FY 2025 budget is projected excess accumulated surplus that is available to offset the budget expenses, which is the result of prior year favorable budget variances. This available surplus is in excess of the Commission's anticipated minimum operating requirements.

5. Personnel Costs

Salaries and Wages

The FY 2025 budget holds staff levels constant from the prior year. A provision is included for Merit and COLA increases for existing staff.

Fellows Program

The budget continues the NVTC Fellows Program, which began in FY 2015, by building NVTC's technical capacity and strengthening its ties with members of the research network. The budget assumes grant funds from DRPT's Intern Program will be available to provide 80% of payroll and related costs of this program.

The Fellows Program provides a cost efficient and flexible way to employ new graduates and mid-career professional to complete specific short-term projects generally over a one- to sixmonth period. The program has served as a valuable recruitment tool and created opportunities to connect with university programs within Virginia and nationally.

6. FICA and Medicare

NVTC's share of FICA and Medicare taxes is a function of budgeted payroll and the current tax rates and estimated wage ceiling.

7. Group Health Insurance

A provision for health insurance coverage is included for all NVTC staff positions, with the exception of the executive director position, regardless of whether or not the current employees in those positions participate in NVTC's health insurance plan. Unless all eligible employees participate in NVTC's health insurance program, actual expenditures will be less than budgeted. The budgeted amount is based on the present actual rates with a provision for increasing premiums. Because NVTC recently experienced a 13.4% increase in health insurance premiums, this increase carries over into the FY 2025 budget.

8. Retirement

The budgeted amount of employer pension contributions for the NVTC Target Benefit Pension Plan is based on actuarial formulas using budgeted staff and salary levels for FY 2024. Because the formulas take into account factors in addition to payroll costs, such as years to

retirement and investment return, changes in budgeted contributions do not necessarily change directly with budgeted payroll. The plan functions as a defined contribution plan and is fully funded each fiscal year. The estimated annual liability is reduced by non-vested funds that were forfeited by former plan participants and are expected to be available during the fiscal year. The FY 2025 increase is the result of less available forfeited funds than previous years, an increase in the number of participants, and a greater percentage of senior staff participating in the plan.

9. Commissioners' Per Diem

The FY 2025 budget is based upon the FY 2023 actual expenditures for Commission and committee meeting attendance. Commissioners, other than senators and delegates, are paid by NVTC at the statutory rate of \$50.

10. Office Rent

The administrative office lease was renewed during FY 2019 for a larger space effective March 15, 2019 to accommodate NVTC's increasing staff levels. Rent expense included in the FY 2025 budget is based upon the fixed costs of the lease, which increase at 2.5% per year, plus an estimate of pass-through expenses and real estate taxes. The lease contains a provision for the abatement of the first month's rent for the first seven years of the lease, and the additional abatement of approximately 29% of the leased space for the balance of the first lease year ending March 14, 2020. Off-site file storage is also included in this budget line.

11. Insurance: Liability and Property

The FY 2025 budget is based on the most recent premium year with an allowance for increasing costs and coverage.

12. Conference / Professional Development

Included in this line for FY 2025 are the estimated registration fees for conferences, professional development, in-house training, accreditation and related travel costs. The budget assumes NVTC staff will participate in training opportunities and speaking engagements at the Governor's Transportation Conference, the Virginia Transit Association Conference, the Transportation Research Board, and the Virginia chapter of the American Planning Associations, as well as represent the Commission at events hosted by a variety of organizations. These funds will also allow staff to maintain the required trainings to keep their professional accreditations as well as funding for executive development and special opportunities. Wherever possible, NVTC will continue to minimize travel expenditures through locally sponsored events, online conferences, and events where the registration fee is discounted or waived.

13. Local Travel, NVTC and Other Meetings

This line includes the costs of NVTC Commission meetings, hosting regional meetings and events, and the costs of NVTC staff traveling to meetings elsewhere in the region.

14. Postage

This item is based on an average of prior years' actual costs.

15. Telephone and Data

This line includes the fixed contracted cost for telephone and data services at NVTC's office, and mobile and data service for staff.

16. Office Supplies

The FY 2025 budget for this item is based on the average of prior years' actual costs.

17. Duplication and Printing

The FY 2025 budget is based on the current lease and service contracts, taking into account projected usage levels.

18. Public Engagement

The budget includes a provision for costs related to public engagement on WMATA matters as required by HB1539, costs related to public engagement as required by HB1285, the costs to produce NVTC's annual report, social media, and other public outreach costs. The FY 2025 budget includes additional funding for the expansion of these efforts.

19. Furniture and Equipment

This budget category provides for the anticipated replacement and acquisition of office furniture and equipment, including computer hardware, and cloud-based hosting NVTC's servers.

20. Computer Operating Expense

Computer operations includes the cost of a third-party information technology managed services contract, subscription-based software licensing fees, video conferencing and virtual meeting services, web and email hosting fees, and software upgrades and supplies. The FY 2025 budget is based on costs presently under contract and anticipated future needs.

21. Advertising (Personnel/Procurement)

The FY 2025 budget includes a provision for personnel and procurement advertising.

22. Auditing

NVTC entered into a three-year contract for auditing services beginning with the audit of FY 2022, with two, two-year options. The FY 2025 budget is based on the costs included in this contract.

23. Contract Services and Support

Commuter Choice Programs

I-66 Commuter Choice Program

As part of a 40-year agreement with the Commonwealth of Virginia, NVTC has been assigned the authority to administer a program of projects to be funded using revenue generated by the tolling of I-66 Inside the Beltway. In FY 2017 NVTC launched the initial year of the I-66 Commuter Choice Program.

<u>I-395 Commuter Choice Program</u>

In 2017, NVTC and the Potomac and Rappahannock Transportation Commission (PRTC) entered into a 66-year agreement with the Commonwealth of Virginia to fund a program of projects to be funded by revenues generated by the tolling of I-95/I-395.

Other Technical

The FY 2025 budget includes a provision for technical support efforts, specialized analysis, related publications, contracted human resource support, and strategic planning efforts. NVTC's state liaison contract is also funded in this line item.

Whenever possible, NVTC intends to leverage other funding sources and utilize contracts of other agencies in an effort to reduce costs.

24. Research Support

This budget line, which was added in FY2023, includes a provision for NVTC funded policy research and the local match for grant funded projects. Detailed plans on the use of this line item going forward will be directly informed by NVTC's Research and Analysis Strategic Plan which is scheduled for adoption by the Commission in late Spring 2024.

25. <u>Legal</u>

In FY 2021, NVTC entered into an agreement with VRE to receive counsel services on all legal matters.

NVTC 2024 MEETING SCHEDULE Proposed

NVTC Commission Meetings

The Commission meets at 7:00 p.m. on the first Thursday of the month. Meetings are held in the First Floor Main Conference Room of the Navy League Building, 2300 Wilson Blvd, Arlington, Virginia, unless otherwise noted.*

Public Streaming Via YouTube

NVTC Committee Meetings

The Executive Committee meets monthly prior to the Commission meeting (either at 6:00 or 6:15 p.m.) in Suite #230 of the Navy League Building. Other committees meet as needed in Suite #230 unless otherwise noted.*

Please check NVTC's <u>meeting website</u> page for updates.

If NVTC decides to change a meeting to an all-virtual meeting, NVTC will provide a new meeting notice in accordance with the provisions of the Freedom of Information Act, and will notify Commissioners, staff and public at least 72 hours in advance of the meeting. Updated meeting information will be on NVTC's meeting website page.
